Made-To-Measure

SKYSCRAPER SHELF

The Skyscraper Shelf is a stunning fusion of art and functionality, designed to elevate and frame your cherished sculptures and art pieces. Standing at 30 inches tall, with a width ranging from 12 to 22 inches and a depth of 6 to 8 inches, it offers a striking backdrop that enhances visual appeal. Crafted from 14-gauge steel with a zirconium anti-corrosion pre-treatment, this shelf is built for durability. It is finished with a beautiful, long-lasting powder coat and is available in 12 in-house colors and 153 RAL designer colors. Complete with color-matched screws and an optional cover plate for seamless installation, the Skyscraper Shelf is a modern masterpiece that promises decades of flawless service.
