

PRODUCT SPECIFICATION

Made-To-Measure

WESTLAKE SHELF

Elevate your home or office with the sophisticated Westlake Steel Floating Shelf, masterfully crafted from high-grade 14 to 11 gauge steel to ensure unmatched durability and support. Designed to blend seamlessly into any décor, these shelves are available in a wide array of sizes and an extensive palette of colors, from vibrant hues to classic tones. The sleek, minimalist design, featuring hidden mounting hardware, offers a clean, contemporary look, while the robust construction comfortably supports your decorative items, books, or essentials. Perfect for adding functional elegance to any room.

Item Number :	FS-CD-1-MTM
Year :	2023
Category :	Floating Shelf
Made in :	USA
Environment :	Indoor

CARE INSTRUCTIONS

To clean powder-coated shelves, gently wipe with a soft, damp cloth using mild soap. Rinse with water, avoiding abrasive tools or cleaners that can damage the finish. Dry thoroughly.

THE WARRANTY

Should an item exhibit a defect and fall within our terms and conditions, rest assured, Calabasas Decor will repair or replace it as necessary. Our warranties differ across products, so we encourage you to visit our website's Warranty Page for specifics related to your item.
